

12TH – 17TH March 2010

BIG DAY OUT

		Show 1	Show 2	Show 3
SCIENCE	Discover Science (Ireland) Discover Science & Engineering brings Science to the Big Day Out. Sue McGrath AKA Splooze is back again with a fun science show for all the family. The mini Science Fair will include a range of 'hands on' activities for all the family. Drop by to cycle your way to a cool and healthy smoothie on the Steps to engineering Smoothie Bike; take a turn on the energy bike to see how much energy it takes to light a series of light bulbs and how much less energy is required to light CFL bulbs. Explore the seashore with Galway Atlantiquaria and meet some of the animals from Dublin Zoo. Discover Primary Science activities will be demonstrated by the DPS team. Play the energy game from Sustainable Energy Ireland or participate in the KNEX workshop. Fun hands-on activities for all the family.	12.00-18.00
